**Frozen
Vegetarian
Soya Chaap & Flour**

Sagar Trading Company is a renowned Manufacturer, Exporter and Wholesale Supplier of Frozen Vegetarian Soya Chaap and Soya Flour. We are in the food line business from the last 12 years. We are committed to procure, process, and sell healthy, safe and quality Soya Chaap and Flour to meet all regulatory standards to the end consumer at the right time and at right price. We have complete in-house preparatory equipments for IQF freezing.

We are anchored by a team of experienced and committed visionaries who are dedicated towards scaling the company to greater heights through innovation and excellence. Our young, energetic, dynamic and result oriented professionals have excellent knowledge in food industry. Their rich experience drives our soul to pursue and perceive our vision to become a trusted brand in food products.

The several factors of our company that are helping us in creating this distinguish position in the market are detailed below :

- Our eatables are of high quality.
- Our business policies are fair.
- Honesty and integrity can be seen in our work.
- Quality is never compromised at our end.
